Dear parents,

We're going on vacation!

Thank you to all the students and their parents for working alongside the teacher during this exceptional year!

Students take home the Spanish work notebook, workbook and a topic page to review with simple routine and vocabulary in Spanish.

Hopefully you can take advantage of it at home to practice during the summer vacations.

If you need help, in the oral part (conversation, pronunciation or other), I can suggest you watch videos and songs in Spanish for children

Happy vacations and blessings,
Elizabeth Almenar de García
